

## Travel

By Car: Rosebine carpark. Access is on the same side as The Stoop, so if coming via M3/A316 then you'll need to double back on yourself at the roundabout (under Pharmacies!). From there follow the purple route.

By Train. Follow yellow route (15 minute walk).

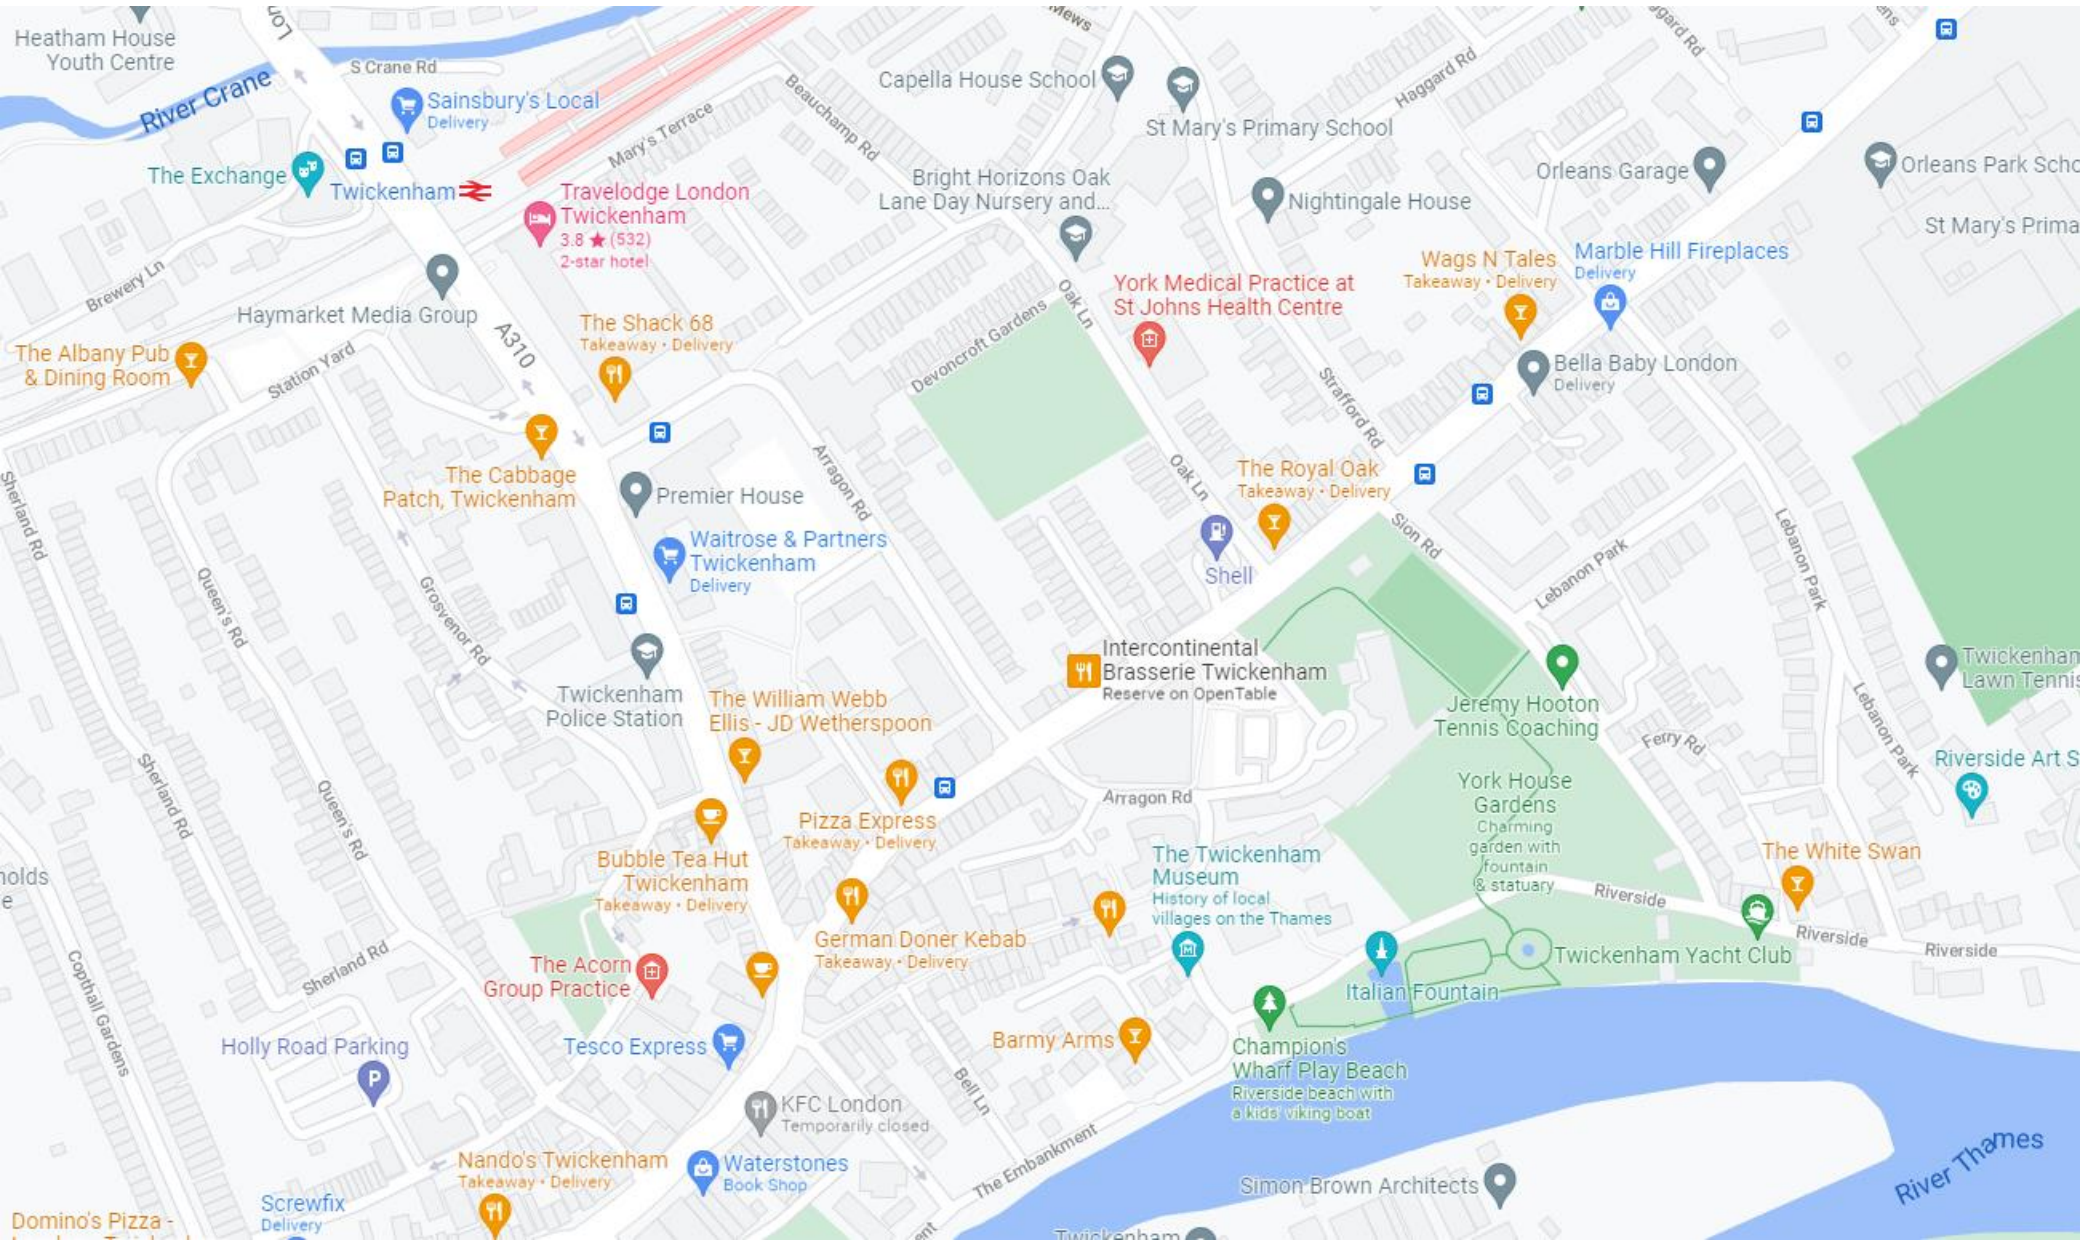

## Twickenham Pubs

Just beyond Haymarket Media Group on the map, cross the road by traffic lights to find The Cabbage Patch. Great rugby pub run by Stu who's a big rugby supporter. Further down on the left is the William Webb Ellis, big Wetherspoons pub. Good pub, typical Wetherspoons offering. Please see next page for pub/town plan.

### Pubs

The Cabbage Patch and William Webb Ellis are the main pubs as they're close to the station. If you have time and the weather is nice(!), The Barmy Arms and White Swan are 2 great riverside pubs.
